26. Day the strings arrived

My best thanks! As D.S.

& a f! they look excellent.

I am thinking I must say a  
sympathetic word to Ch...  
W... or St. After all did he not  
accomplish the resuscitation of the  
K's tone? I will not bother you as

to the address of your present  
purchase of strings - but at a convenient  
moment I shall like to know. Myself

I am in a bit of a hurry  
but the price of the strings  
is not so high as I thought  
it would be. I am sure  
you will find it very  
satisfactory.
